ABOUT US

Nassar Khan (Founder)

Huma Fountains and Pools has been a reputable manufacturer of underwater LED lights and fountain lights since 2010. With over a decade of experience in the industry, we have established ourselves as a reliable and innovative provider of high-quality lighting solutions for aquatic environments.

Our commitment to excellence is reflected in the durability, efficiency, and aesthetic appeal of our products. We understand the significance of creating captivating visual experiences through well-designed lighting, and our team of experts continuously strives to bring cutting-edge technology and creative designs to our customers.

Whether you're looking to enhance the beauty of your swimming pool, create a mesmerizing fountain display, or illuminate any underwater space, Huma Fountains and Pools offers a diverse range of lighting options to suit your needs. Our products are known for their energy efficiency, vibrant colors, and long lifespan, ensuring that your aquatic spaces remain stunning and captivating for years to come.

At Huma Fountains and Pools, we take pride in our dedication to customer satisfaction. Our knowledgeable staff is always ready to assist you in choosing the right lighting solutions for your projects, and our commitment to quality means that you can trust us to provide products that meet the highest industry standards. Join us in illuminating underwater worlds with brilliance and creativity. Choose Huma Fountains and Pools for all your underwater LED lights and fountain lights needs.

MISSION & VISSION

At Huma Fountains and Pools, our mission is to illuminate and elevate aquatic environments through the design and manufacturing of top-quality underwater LED lights and fountain lights. We are dedicated to enhancing the beauty and ambiance of water features, pools, and fountains, creating captivating visual experiences that inspire awe and delight.

Through innovation, craftsmanship, and customer-centricity, we strive to be the leading provider of lighting solutions for underwater spaces, contributing to the creation of enchanting atmospheres worldwide. Our vision at Huma Fountains and Pools is to be recognized as the global leader in underwater lighting solutions.

We aim to set new industry standards through our commitment to technological advancement, design innovation and sustainability. By pushing the boundaries of creativity and engineering, we envision a world where every underwater space becomes a canvas for breathtaking illumination, sparking emotions and fostering memorable moments. As we continue our journey, we aspire to bring the magic of light and water together, transforming ordinary environments into extraordinary realms of beauty and inspiration
